

OUR MISSION

Committed to its community, the **Société d'aide au développement des collectivités du Haut St-Maurice (SADC)** supports entrepreneurs and initiatives aimed at fostering the development of the Haut St-Maurice region.

Our strong knowledge of the local environment and our expertise make us a key strategic partner—**approachable, human and easy to work with.**

Through the local economic development activities we implement, we help strengthen the capacity of communities, supporting their long-term sustainability.

FINANCIAL SUPPORT

Investing in projects that foster the economic vitality of the Haut St-Maurice region.

We offer advantageous loans tailored to the needs of entrepreneurs. Financial assistance is available to **support acquisition, succession, start-up, and business growth projects.**

Regular Investment Fund :

- Financial loans from **\$5,000 to \$150,000** (up to \$300,000 under certain conditions);
- Competitive interest rate **determined** based on the project, risk, and collateral.

Strategic Investment Funds:

- **0% interest** for 2 years;
- **No repayments required** during the first 3 months.

LOCAL ECONOMIC DEVELOPMENT

For the success of collective projects.

We initiate or collaborate in the implementation of collective projects that address local challenges and foster the economic vitality and dynamism of the Haut St-Maurice region.

Our support can take many forms:

- Support in developing the project and business model;
- Partnership throughout the implementation process;
- Group training sessions and collaborative workshops;
- Research and analysis;
- Access to specialists and a broad network of partners;
- Financial assistance.

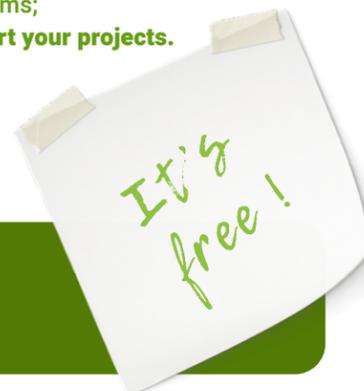

TECHNICAL SUPPORT AND ASSISTANCE

To help propel SMEs and organizations toward their goals.

Our technical assistance and advisory services, complementary to financing, support business projects at every stage:

- Assistance with financial structuring;
- An in-depth assessment of the company's real needs;
- Partner identification and networking;
- Specialized expertise;
- Access to specific programs;
- **And much more to support your projects.**

SATISFIED CLIENTS

- Overall satisfaction of entrepreneurs with our services is 97%.
- 81% of our clients say they would recommend the services of SADC and CAE.
